"I just don't like to be half good. It drives me insane. I'm willing to do anything to try to be really good. I am aware when I'm very good - and I like to be very very good. I think perfection is the only standard for people who are stars"

Katharine Hepburn

" I could have accomplished three times what I've accomplished. I haven't realised my full potential. It's disgusting."

Katharine Hepburn

“I can do anything when my will is clean and straight.
Anything.”

John Steinbeck
